Seniors' & Family Expo

About Town House

Town House is a charitable non-profit organization that exists to support the community of Glace Bay and surrounding areas.

Over the past 60 years, we have achieved this by providing programs and activities that support the mental, physical, social, and economic well being of our most vulnerable community members through programs such as Meals on Wheels, Backpack Program, Community Breakfast, and more.

Seniors and Family Expo

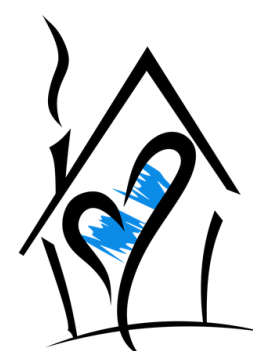

Since 2023 Town House has been hosting an annual Seniors Expo. The event was created to support the seniors in our community by providing them with a fun and entertaining day while presenting them with information on the many resources, services, and products available in our community that could improve their lives physically, mentally or just for fun!

This year we are expanding the Seniors Expo to include families; now the "Seniors and Family Expo". We're looking forward to creating a fun day for the whole family with bingo, activities, demonstrations, and info booths!
